

### **Public transportation options available to Griffith residents**

Wherever you're going, taking a bus just might be the best way to get there. Options include:

#### **easygo Lake Transit**

Board a Brown Route bus traveling west along 45<sup>th</sup> Street to the Government Center. Or go east, transferring to a bus that will take you to destinations in Munster, Hammond and as far as the southeast side of Chicago (connecting with CTA service). Buses will pick up passengers at any safe corner by waving at the driver. A single ride ticket is \$1.25. Visit [www.rba-nwi.org](http://www.rba-nwi.org) or call **219.853.6513** for information.

#### **Demand Response**

Griffith residents have access to demand response bus transportation. Meant to assist people without access to private transportation and not served by fixed route buses, the service delivers passengers curb-to-curb. Availability is limited and rides must be scheduled in advance. Cost to users is \$3.25 for seniors and persons with disabilities and \$5.25 for others. Call **877.5easygo (877.532.7946)** for more information.

#### **Complementary Paratransit Services**
